

Home Zones: Challenging the Future of Our Streets Conference and Exhibition

Thursday 17th November 2005 - 9 am to 4 pm

Royal Geographical Society
1 Kensington Gore, London, SW7 2AR

Department for
Transport

JE JACOBS BABTIE

Conference speakers will focus on the lessons learnt during the Home Zones Challenge and the Good Practice Guidelines that have been developed.

Topics to be covered:

- overview of the Home Zones Challenge
- consultation and the view of residents
- design
- features and materials
- implementation
- interaction and integration
- new build
- moving forward - Good Practice Guidelines

The exhibition will showcase a wide range of products and services provided by a variety of professionals including consultants, designers, urban landscapers and suppliers of street furniture, lighting and road surfacing.
